Foreword

Dear Light Newsletter Readers,

As the General Secretary of The Bible Society of Uganda (BSU), it is both an honour and a joy to welcome you to another illuminating edition of our Light Newsletter. In these pages, we endeavour to bring you insights, updates, and stories that reflect the light of hope and transformation emanating from our shared commitment to the mission of the BSU.

First and foremost, we extend our heartfelt gratitude to the Almighty for His sustaining grace throughout 2023. In the journey of The Bible Society of Uganda, divine provision and the precious gift of life have been our constant companions. This edition is a testament to the blessings bestowed upon us, as we share stories of triumph and generosity that have unfolded in the past year.

One remarkable highlight is the support from MTN Uganda, whose staff, in celebration of 25 years in Uganda, surprised us with a donation equivalent to 25 Braille Bibles. The generosity displayed by the MTN Uganda team, especially in a challenging corporate environment, serves as an inspiring example for others to consider supporting the noble mission of BSU through their prayer groups and charitable endeavours.

The heartwarming success of the Lhukonzo translation project is another beacon of hope. With the unwavering support of churches in the Rwenzori Region, we continue to make strides in translating the Bible into local languages. The community's involvement, both in hosting reviewers' workshops and contributing financially, is a shining example of collective commitment to preserving and sharing the word of God.

As we celebrate the birth of Jesus Christ, we reflect on the joy brought to the less privileged in partnership with Bishop Gad of Kigezi Diocese. Christmas was shared with the blind

at All Saints Church in Kabale, a gesture that brought visible joy to those who experienced the miracle of connection despite their physical challenges. May this inspire us all to extend love and support to those around us.

Our Life Members play a crucial role in fulfilling the Great Commission (Matthew 28:19-20). Their steadfast support not only facilitates Bible translation projects but also enables us to engage in vital initiatives such as teaching children, providing scriptures to the blind, and administering Trauma Healing projects. I encourage you to consider joining the ranks of distinguished Life Members like Bishop Loum Godfrey, forming a family tree that bears the fruit of positive impact.

This issue also showcases the impact stories from Northern Uganda and beyond, demonstrating the transformative power of our collective efforts. The introduction of new Bible editions, such as The Life Essentials Bible, 100 Steps through the Bible, A Path for Life Bible, and various Children's Bibles, underscores our commitment to empowering clergy and fostering spiritual growth.

May the narratives within these pages inspire you to engage more deeply with the mission of The Bible Society of Uganda. Together, let us continue to be a source of light, hope, and positive change in the lives of individuals and communities.

Wishing you an enlightening read and a blessed journey ahead.

Warm regards,

Serumaga Peter Lumbye
General Secretary

MTN Uganda's Thanksgiving Gift, to help blind people read the Bible

The General Secretary (blue suit) together with the team receive a cheque for the 25 Braille Bibles from the MTN Uganda CEO Ms. Sylvia Mulinge (Orange top) during the MTN Thanksgiving service.

By Isaac Tusubira

In a touching expression of gratitude and social responsibility, MTN Uganda marked their 2023 Thanksgiving celebration with a remarkable donation that is sure to leave a lasting impact. Their generous contribution of USD 12,500 has been dedicated to the People with Visual Disability (PVD) Project of The Bible Society of Uganda, specifically allocated to provide twenty-five braille Bibles.

This timely and thoughtful gift holds great significance for the visually impaired community, many of whom have longed for the opportunity to own a copy of the Bible. MTN Uganda's commitment to addressing this need is commendable, as it aligns with the spirit of inclusivity and empathy.

We extend our sincere appreciation to MTN Uganda for recognizing the importance of making spiritual and literary resources accessible to all, regardless of visual abilities. Your generosity has not only provided tangible support but has also touched the lives of those who may have felt a void in their connection to Scriptures.

In this season of gratitude, MTN Uganda's good gesture stands out as a guiding light of compassion and social awareness. Thank you, MTN Uganda, for making a meaningful difference in the lives of the visually impaired of Uganda through your thoughtful and impactful donation.

The journey of Lhukonzo Bible translation project

Quality Checking of Luke with Dr. Samy

By Pr. Herizon Bwambale
Lhukonzo Translator

The Lhukonzo Bible Translation Project started in October 2020 during the Covid-19 pandemic. The project kicked off with the selection of translators. The churches recommended personnel to the Bible Society of Uganda and from them, translators were recruited. They are from four denominations namely Rev. Fr. Kambale Balinandi from the Catholic Church, Rev Canon Julius Kithaghenda from the Anglican Church, Pr. Bwambale Herizon from the Seventh Day Adventist church and Ms. Masika Irene from the Pentecostal Church. The translators were inducted and trained in Translation Principles and Exegesis. Sharpening tools of work is a continuous process, so from time to time, they are equipped with Computer skills, Exegesis, Linguistics and Lhukonzo Orthography in particular.

The Project has 14 reviewers. These are theologians, linguists and educationists. They were recommended by churches and the Lhukonzo Language Board. Thus, they were picked following denominational and dialectical representation, gender, age based on individual training and experience. They review the manuscripts from the translation team as representatives of the community. They help in the third translation stage which is external review or community testing. They too, have been trained in translation principles and Lhukonzo orthography.

The work of Bible translation goes through four main stages. Stage 1: Research/Study, Exegesis, drafting by an individual translator, Stage 2: Translation team discussion/internal review, Stage 3: External review and Stage 4: Translation consultant's quality checking against the Biblical Source Languages. The project is estimated to be completed in a period between 8 to 12 years.

UPDATES SINCE WORK STARTED

The translation team has completed drafting the New Testament, six series New Reader's Portions or NRPs (commonly called "Omwatsi Mubuya" books), the book of Ruth, Jonah, Esther and Luke. These have been printed and are already in circulation in the community except Esther and Luke which are also ready for type-setting.

The Acts of Apostles and the Gospel according to Matthew are waiting for the fourth stage. 1 Timothy, 1&2 Peter, 1,2&3 John, Jude, 1&2 Thessalonians and Titus are waiting for external review stage. The rest of the New Testament books are drafted and are at stage two. The translation team is working hard to have all this work team discussed.

Some of the Old Testament books have been drafted but will be team discussed after completion of New Testament books. Those drafted are: Genesis, Exodus, Joshua, Judges, 1&2 Samuel, 1&2 Kings, 1&2 Chronicles, and Ezra.

We are looking forward to printing more of the finished work as well as making the film of Jesus based on the Gospel according to Luke.

SPECIAL APPRECIATION

The Lhukonzo Bible Translation project registers its sincere appreciation to the Bible Society of Uganda for making a choice of translating the Bible into Lhukonzo Language. We appreciate the churches particularly South Rwenzori Diocese of the Anglican Church, Rwenzori Field of the Seventh-Day Adventist Church, Diocese of Kasese Catholic Church and the Pentecostal Churches of Uganda, for their unlimited support towards the progress of the project. Above all we thank the Seed Company which funds most of the project activities.

The team prays to get many well-wishers who would surrender to facilitate as many review meetings as possible so that the Project is finished on time.

Finally, we are determined that by the guidance of the Holy Spirit, we will translate the word of God in natural, clear and meaningful Lhukonzo. Let all who read this join hands with us in praying for this project and support Bible Translation, to run a verse through the above stages costs us 50,000 UGX. Kindly support this noble cause.

A heartwarming Christmas Gathering for the Visually Impaired in Kabale

By Isaac Tusubira

The Bible Society of Uganda, working alongside Kigezi Diocese, arranged a heartwarming Christmas celebration for visually impaired individuals at All saints Church in Kabale District. The event aimed at spreading holiday joy by giving Christmas hampers and sharing a delightful meal with the blind attendees. Church leaders from Kigezi Diocese, led by Bishop Gad Akanjuna, actively joined in, promoting a sense of community and inclusion.

The Christmas party brought together a significant number of visually impaired individuals from the district, creating a joyful and supportive atmosphere. Mr. Serumaga Peter, the General Secretary, and Pr. Christian Aliddeki, Chairman of the Board of Trustees, took the opportunity to inspire and uplift the spirits of the visually impaired attendees. They encouraged them to trust in the Lord and stressed the importance of reading their braille Bibles.

As a tangible show of support, Mr. Serumaga Peter gave a Runyankore Rukiga braille Bible to All Saints Church Kabale on behalf of The Bible Society of Uganda. This gesture aimed to ensure that visually impaired individuals are not only included but actively participate in worship within their community. The provision of braille Bibles serves as a powerful tool for fostering spiritual growth and connection for those with visual impairments.

Bishop Gad Akanjuna expressed gratitude to The Bible Society of Uganda for their impactful partnership and the generous donation of the braille Bible. He commended the organization for its commitment to inclusivity and pledged that Kigezi Diocese would continue to host annual Christmas parties dedicated to visually impaired individuals. This commitment underscores the diocese's dedication to creating a space where all members of the community, regardless of physical abilities, can come together to celebrate and share in the joy of the festive season.

Rt. Rev Callist Rubaramira commends Bible Society for the Ministry in Bufumbira

By Phionah Bahungirehe

Until today, the catholic church in Kisoro district serves under Kabale Diocese. The people of Kisoro Share a Diocese with other Catholic Christians from districts of Kabale, Rukungiri, Kanungu, Rubanda, and Rukiga. This generally covers the entire former great Kigezi. Priests and church ministers in the Diocese serve with no limitation. It is not of any surprise therefore to find a Rukiga speaking Priest working in Kisoro. The Bafumbira and Bakiga in the catholic church have enjoyed this kind of fellowship from time to time.

Linguistically, it is only Christians from Mutorele Deanery in Kisoro that have a unique mode of communication. They speak Rufumbira which is completely different from Runyankole-Rukiga, a commonly shared language among the majority Deaneries in the Diocese.

Church ministers who are not from the land where Rufumbira is spoken therefore have to struggle to learn the language in order to effectively communicate and create a bonding relationship with the flock they lead.

Overtime, they have used Lectionaries and Bibles from Rwanda. However, because Kinyarwanda writing system is completely different from that of Runyankole Rukiga, documents are rarely comprehended. On visiting the pastoral coordinator, Rev. Fr. Fidel Ndagijimana, he told our team that the Diocese has endeavoured to make translations of most documents used during holy mass celebration using the new Rufumbira orthography. He was pleased to note that most of the people who translate their work are also involved in the Bible Translation project. Fr. Fidel says that it has now become easy for church ministers to communicate in Rufumbira because of this initiative.

Due to the huge coverage of the administration area, it is very rare for the Bishop, Rt. Rev. Callist Rubaramira to visit Churches in Kisoro. On one opportune moment in Gatete Catholic Parish in the Eastern part of Bufumbira during a confirmation and thanksgiving mass, the Bishop was delighted to comment on the recently launched Rufumbira NT. The ever cheerful Bishop while speaking to masses in 'Rufumbira' encouraged Christians to read the Bible, because in it is a divine revelation of the mysteries of our faith. He emphasized that there is no excuse since the New Testament is in a language well understood and is now available.

During a special luncheon with our team and other guests that had visited the parish, the Bishop expressed his gratitude to Bible Society of Uganda for having accepted the request of the churches to have scripture in the language that speaks best to the people. "I

Bishop Callist Rubaramira engaging in deep conversation with guests at Gatete Parish, among whom was area MP and former minister for ethics and integrity Hon. Nsaba Butuuro and Mr. Emmanuel Maniraguha a life member of BSU

have received a report that even Bakiga Priests are now reading Rufumbira very well." Said the Bishop. " He then raised his hands and prayed for a Blessing for the team after being gifted with a copy of the New Testament.

The Roman Catholic Church is one of the denominations actively participating in the translation of Rufumbira interconfessional Bible. This project has over time been enthused to a level of unimaginable zeal among many Christians and filled them with much more enthusiasm for the quest of the Word, studying the Bible and seeking to understand individually.

Many have shown their support towards the translation work sighting an urgent thirst to read the Word in their heart language. Our prayer is that the Lord will empower us with wisdom and provision to accomplish this noble task in time.

Give me Ruth

Lhukonzo Bible Translation impact story 2023

One of the Lhukonzo Bible Reviewers' team in session at Better Living Center, Kasese.

By Pr. Bwambale Herizon

Lhukonzo Team Co-ordinator

One day while I was riding my motor bike carrying a small box of Lhukonzo Bible translated books, I saw a woman alarming loudly, "Give me Ruth" (Imba Rusi). Her words attracted my attention because I thought she was referring to a real person called Rusi, yet I had no Rusi in my home neither was I carrying anyone on the bike. I stopped and she came running towards me. She said, "Wahemba (Sir), I have seen on your T-shirt words written, 'Ask me about the Bible.' I have been striving to meet someone who works with the Bible Society of Uganda. Are you one of them? I said, "Yes madam. Am working with the Bible Society of Uganda on the translation of the Bible into Lhukonzo." Then she Jumped up saying, "Praise God. Are you the one who has the book called Ruth?" I smiled saying, "Even now am carrying some booklets." She exclaimed, "Give me one before we talk much." I pulled it out and she said "Ooh yes, this is it. Thank you, messenger of God. I have been praying that God gives me access to this book. He has answered my prayer."

Then my interest was to know why she was interested in the book of Ruth and whether she had ever read it before. She Said, "I have a brother in Kasese Town. When I visited him, I found him with a book which had pictures of wheat on its cover and written on '*Ekyitabu*

kya Rusi'. I thought it was about farming but I was surprised to find that it had a comforting life story. I read it again and again because it was like the story that had been written about me. Sir, she narrated to me, 'I got married to a man who was a total orphan and was struggling for everything he needed in life. He did not show me any of his blood relatives because he said he didn't know them. After 8 years of our marriage, he suffered from Hepatitis and died. This left me in a bad state with acute stress and one night I struggled with committing suicide and by God's grace, it reached morning while I was still enduring. That morning, I visited my brother in Kasese town seeking to be comforted. On reaching his home, I found when he had gone to work but in his sitting room, was the book of Ruth on his table and I read it several times. It became my counsellor. I did not even have to explain to my brother what I was struggling with in life. I have never thought of harming myself any more. I am convinced that God who took care of Ruth will also take care of me."

I was surprised at what a great task a small book of Ruth had been able to accomplish. I offered her a prayer and She took her own copy. She pledged that she will keep praying for the success of the project.

CHURCH

The Bible Society of Uganda organised a couple's prayer breakfast on the 3rd of November 2023 at Hyde park entertainment center, under the theme: *But as for me and my family we will serve the Lord* (Joshua 24:15). The function was graced by Mr. and Mrs. Kidulu James.

Members were enlightened that in a family no one is independent: No one knows it all, no one is like the other, differences were made by God for complementability not competition and clashing. No one is useless including little babies.

The community responds to Acholi Bible revision

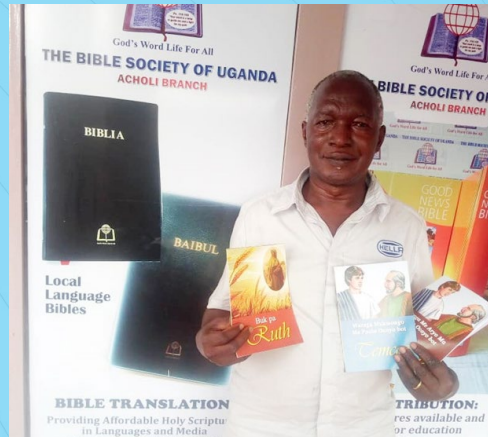

By Mr. Eliakim Oyo

Acholi Bible Revision Project

Bible revision is a long and tedious process that requires a lot of diligence. Right from what the Translators work through; from source documents and the computer work on paratext to checking exercises with fellow translators as well as with the Translation Consultants. Then teamwork comprised of Bible reviewers who come from different Christian Bible believing denominations to analyze and scrutinize the language applicability, accuracy and integrity. They include theologians, academicians, Pastors and teachers of the word as well as leaders of the language board.

The true test of all the translation, review and consultancy work comes down to a sample of books of the Bible. For the case of Acholi Bible, the books of Ruth, 1st and 2nd Timothy, were the samples that went out all over Acholi region for members of the community to read through and give their views. As the Acholi Bible revision comes to an end, we are so grateful for all who participated in this and continue to call on your support for the final stage of proof reading. Let us do God's work with all diligence and integrity that the scriptures teach us, and please continue to give generously to support Bible work.

Below is feedback from a few people who participated in the community testing exercise.

Translator Mr. Eliakim Oyo shows off the samples of books of Ruth, and 1st and 2nd Timothy that are being used for community testing

Mr. Stewart Alexander a young entrepreneur reads the Book of 1st Timothy in Acholi at his mobile money stand.

"Since I read the book of 2 Timothy, my life changed. I used to fear so much when night came for a long time. When I discovered that God has not given us the spirit of fear but power and a sound mind. God bless the work of Bible Society of Uganda. Who gave me a copy of the book for 2 Timothy written in my own language Acoli." Okello Samuel in Nwoya District

"I am a young lady who married and lost a husband when still in our youthful age. I was inspired when I read the book of Ruth in Acoli. For I learnt that there is always a light at the end of a tunnel, since other women had suffered but got a better life in their new marriage and home. I have new hope now to start new life after this sudden problem in my previous relationship God being my helper. I was lonely and rejected and hated every thing about life. Thank you Bible Society of Uganda for donating this booklet Ruth in Acoli freely. I can now read it time and again. God bless you all" Aciro Grace Opoka in Gulu

"I am a lay Christian who rarely does some work in a church. I would like to testify; My Christian walk got a new dimension after I read the Acoli Booklet of 1 Timothy, was encouraged to do all my work or activities with love, Which has strengthened my faith. I am able to work now with great determination. I am now a better Christian who goes to church. God bless the Bible Society of Uganda for giving me a copy of this booklet freely! I hope many who read it receive good changes too in their lives." Joseph Ochora from Pader

Ambrose presents to the Bishop of Christ The Center Ministries and Youth Team a Certificate of recognition as Champions of the Bible Quiz Competition organized by Gulu Bible Community Church

The timeless words of Psalm 119:9 admonishes that for a young man to stay pure, he has to obey God's Word, it farther advises the Youth not to sin against God, and to do this by hiding his Word in their hearts. For most young people a large part of their communication system requires active participation and high stakes; the kind that are best experienced under conditions of pressure during a Bible Quiz. BSU Acholi Branch in partnership with Gulu Bible Community Church mobilized Youth from ten Churches to participate in a very competitive Bible Quiz that saw Jesus The Center Ministries emerge as Champions. Delivering an inspirational performance, the Youth of Christ The Center passed all their category questions with flying colours. Category questions based on themes, *"Break Camp and move forward,"* Deuteronomy 1:1-6, as well as, *"Living as people of the New Covenant,"* Jeremiah 31:31. All competition, winning or losing aside, the ultimate purpose of the Bible Quiz was to encourage the youth to ensure they acquire a Bible for themselves and embrace God's Word and live by it on a daily basis. We continue to work with various Churches to mobilize the Young people to engage with God's word which is the Light to guide our path in life.

The Youth of Christ the Center Ministries give thanks to God for their victory in the Youth Bible Quiz Competition.

Every year the Life Members look forward to the Life Members Forum and in 2023 it was celebrated in an amazing way. The Branches countrywide engaged Life Members in moving out to the community and touch Lives. The Late Dr. Simon Peter Mukhama used to remind us, "Life Members bring Life." What a joy, what an honour to be part of this most noble cause of reaching out to the vulnerable brothers and sisters in our community in need of a physical demonstration of the Love God promises in his word.

In partnership with Gulu Primary School, The Bible Society of Uganda along with some Life Members paid a visit to the school where they came bearing gifts for the Children with visual impairment in the blind section. It was so humbling to see the faces of the children Light up with joy and excitement at the news of Braille Bibles for them that they started reading immediately. Dear Life Members, continue to bring Life to this world through God's word on this earth and to eternity. We thank God for all Life Members and call on more people to become Life Members for this noble cause of God's Word bringing Life to all.

A New Program for our Young People across the Country

By Janeviva Kisaka

In 2023 we launched awareness and TOTs workshops for the Young Samaritan Project in Five regions specifically looking at Kampala, Kabarole, Gulu, Soroti and Mbarara. These targeted stakeholders from Churches, Schools, TASO Uganda, Reproductive Health Uganda, FOCUS Uganda and Scripture Union Uganda.

The Young Samaritan Project employs Bible-based stories and principles to promote positive youth development in collaboration with churches, schools, NGOs, and government agencies. The purpose of the program is to empower, equip, and enable young people to integrate responsible decision-making for themselves and community development. While addressing gender equality and Gender-Based Violence (GBV), inclusion of Persons With Disabilities (PWD), sexual and reproductive health, social media, radicalization, and environmental stewardship.

The key program activities will focus on interactive workshops based on carefully developed booklets and high-quality films using Biblical messages and stories to address the preceding topics, as well as life-skills training on areas such as peer pressure, personal boundaries, and realistic planning of education and career.

We get to hear from different people that have interacted with the project in the last month;

“

This is the second time to meet teens since I was trained in October 2023, it was so wonderful engaging teens during this festive season. I am actually realizing that through YSP, engaging young people is becoming much easier and a passion.” Says Mark Ayebele one of our Trainees.

“This program has come late; from what I can see it should have come earlier because many young people have already made wrong decisions but never the less we know it will still impact every young person in a special way.” One of the young people that attended the TOTs in Soroti.”

“The Young Samaritan Project has come in timely and it will support our young people be mentored in a number of things but most importantly remain focused in making the right decisions in their day to day life.”

Life Members across the country impacting lives of the Blind people at their 10th Annual Forum

"I was eyes to the blind and feet to the lame." Job 29:15

By Catherine Nakimera

We are thrilled to share the remarkable success of our recent Life Members Forum and Outreach Program, which took place on 10th November 2023. This significant event marked a celebration of our 10th Life Members Forum and provided an opportunity for life members, volunteers, and supporters to come together and make a meaningful impact in the lives of blind individuals from different walks of life.

Across the country, in various Bible Society of Uganda branches including Central, Ankole Branch, Rwenzori Branch, Teso Branch, and Acholi Branch, life members reached out to the blind with a heart full of compassion. Some participated physically and others were glad to send in their financial support. The primary objective was to connect with these children, offer prayers, and provide them with essential items such as soap, sugar, food, clothes and Scriptures, among others. This act of kindness brought immense joy to both the children and their adult counterparts who warmly received our teams.

The culmination of the day was a thought-provoking Life Members Forum held in Kampala, featuring the esteemed guest speaker, Dr. Prof. Ezra Suruma, who eloquently highlighted the significance of impacting lives for the kingdom of God. His words resonated deeply with the attendees, inspiring many to embrace the mission of the Bible Society of Uganda wholeheartedly. As a result, numerous individuals expressed their eagerness to recruit their children, friends, and family as life members, contributing meaningfully to our cause.

We extend our sincere appreciation to each and every person who devoted their time, and resources, to be part of this impactful activity. It is through your unwavering support that we were able to make a tangible difference in the lives of blind individuals, demonstrating the love and compassion of Christ.

Together, we can inspire positive change and transform lives, all for the glory of God.

Retrofitting Clergy for ministry with the Life Essentials Study Bible

Rev. Canon Alfred Aziku speaking about the beauty of the Life Essentials Study Bible

By Clare Busingye

As we continue to equip people with the Word of God to do every kind of good deed, Church leaders are no exception. Arua clergy of Uganda that got trained and were equipped with the Life Essentials Study Bible on 7th December 2023. The Bible was highly appreciated as the greatest tool of all time as Rev. Canon. Alfred Aziku noted, *"I'm grateful to God so much for the great opportunity of being part of this Life Essentials Study Bible training. Much as many people out there have different Bibles, this is another very unique Bible where we are enabled to read, watch, listen, understand and apply that knowledge derived from this Bible."*

He emphasized that The Bible Society of Uganda has for many years held the mantle in transforming lives and for great initiatives like this where those who had already been tooled with different versions of the Bible, yet again got the opportunity to add onto our tools, meaning this has been a training for retrofitting Clergy for ministry.

Rev. Alfred said, *"I am really very excited because most of these versions that we have only enable us to read,*

understand, while watching and listening are not a part of those versions. The beauty about this particular Bible is that it incorporates what is in other versions and more. So, this training has already equipped us with various approaches to reading the Bible such that when we apply the knowledge drawn from the Bible, the entire community can get what the Word of God requires of us. I want to make it very clear that the design of this Bible is even advantageous in a way that when we are able to read, watch, listen, understand and apply the knowledge from it, so, the entire community will be able to benefit because the application will be reflected in our character, whether among Muslims, non-believers, anywhere we are."

He appealed to the trainees to support The Bible Society of Uganda since it has many projects to accomplish, saying, *"Our resources must be really pooled in various ways such that projects like Building of the New Bible house, translation and others can be accomplished to extend God's kingdom. Therefore, I want to applaud the Bible Society of Uganda for such initiatives and I pray that more numbers will turn up for such trainings so that the impact on our society can grow."*

Every Child Matters

By Esther Achieng

At Excellence in Life Ministries, about 300 children met at a weekly trauma healing session. Every Wednesday afternoon, everyone was always excited about the Children's Trauma Healing Session. The Children gathered in the Church, because it accommodates all children and staff. The story of the day, from the healing hearts Club book is read to them all in the big group and then they are divided into their classes for the activities and the games for all to participate.

The most exciting bit for this day was always, 'meet, eat meat and drink.' It is a special day for the children and their teachers too. On that day the meal is served with meat and a drink, especially soda, contrary to other days. For them this is the best meal of the week.

Every Saturday afternoon were for the staff and every Wednesday for the children. On both days, the meals are special, with meat and a drink. To the staff, this has been the best sessions in their lives, as it has enabled them be able to express out some of the pains they have held for so long in their lives. These session have also helped them learn good practices in life, like forgiveness. Some of them testify to learning to forgive people they thought they would never be able to forgive in their life because of the pains they had caused them.

Thanks to the partnership with BSU, ABS and Excellence in Life Ministries that has enabled the Ministry to be able to impact the lives of these children, staff, together with their communities. The ministry dedicated time to have all their teaching and non-teaching staff be taken through the Trauma Healing Sessions, for the wellbeing of both the staff and their children in Excellence Junior School.

These sessions were crowned up with a Christmas party on the 1st of December 2023, with the theme **"Every Child Matters"**, to be able to uplift and promote every child's life, no matter the child's background or their social status. This was a great day for the children as some were graduating from top class, and the teachers were being graduated after the trauma healing equipping sessions. Every Class was given an opportunity to exhibit their presentation to the parents and the invited guests.

Every child and staff was gifted with a Bible, so they can enlighten their communities with the light that is the word of God. Each one of them was also gifted with a Christmas package to share with their families.

Thanks to the BSU leadership that honoured that day with their presence to bless the children and commission that facilitators to go out and lead trauma healing group sessions.

A certificate and a Bible is handed to the Director of Studies having completed her equipping in trauma healing.

To each of them a Bible and a certificate was handed as tools for the trauma healing sessions.

The children were given a Bible each.

Realising your potential to self-sustainability God's way

By Catherine Nakimera

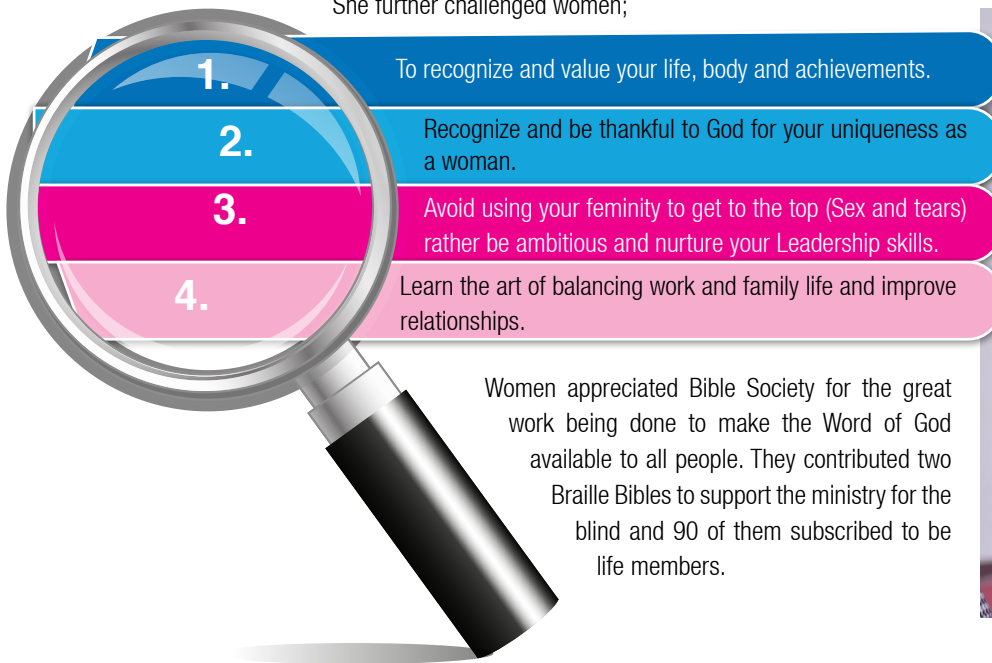

On 3rd November 2023, The Bible Society of Uganda Women Task Force Team was glad to host a Women Prayer breakfast with the theme: Realising your potential to self-sustainability God's way.

In a world where women are encouraged to be empowered, to work hard and also take on top positions in the Society, are they

doing it God's way or they are trying their own methods?

In responding to this Canon Dr. Ruth Senyonyi who was the guest speaker encouraged women to drop pride, abide in God, surrender to God daily in all they do, know that God is sovereign, recognise God's love for us and as the wisdom giver, have spirit of contentment and be good stewards of what God has placed in our hands.

She further challenged women;

Women appreciated Bible Society for the great work being done to make the Word of God available to all people. They contributed two Braille Bibles to support the ministry for the blind and 90 of them subscribed to be life members.

Favour is deceitful,
and beauty is
vain; but a woman
that feareth the
LORD, she shall be
praised.
Prov. 31:30

The power of collaboration

General Secretary of Bible Society of Uganda, Serumaga Peter Lumbye attended the conference

By Janeviva Kisaka

At the World Assembly held in Egmond aan Zee, the Netherlands, in October 2023, members of the United Bible Societies met, expressed special gratitude for God's grace throughout the recent years where we recognized and affirmed our dependence on God.

The UBS members emphasized their mission of 'The Bible for Everyone.' Therefore, it was an experience of the spirit of Christian unity and generosity, learning from each other and sharing knowledge. Below are a few highlights from the Assembly;

Mission Sustainability: One of the highlights from 2023 World Assembly is the indispensable importance of mission sustainability. Our mission is a timeless one, but it must be carried forward in a sustainable manner, both in terms of resources and adaptability. We were reminded that sustainability is about more than just financial stability; it's about the ability to evolve and respond to ever-changing needs. We look forward to more deep relations with our partners, donors and other key stakeholders as inspired by the dedication of the United Bible Societies to adapt and thrive in this dynamic world of Bible work.

Secondly, the Assembly has shed light on innovative approaches to **Bible engagement**, indicating that the Word of God can be made alive and closer to all our audiences. From creative story-telling to digital platforms. We were inspired by these approaches and how impactful they have been and will continue to yield to the intended audiences.

In a world marked by migration and displacement, 2023 World Assembly at Egmond emphasized the importance of addressing the spiritual **needs of migrants and refugees**. We were deeply moved by the discussions on this topic, which reminded us of the significant role the Bible Societies play in providing comfort and guidance to those who are in search of hope and a sense of belonging. The Assembly instilled in us a renewed sense of purpose in supporting these marginalized communities. We applauded the UBS for the launch of the Migration Bible, an important resource in Bible engagement and ministry to the marginalized in Society globally.

The power of collaboration was a resounding theme throughout the Assembly. We witnessed the strength that comes from working together, transcending borders, cultures, and denominations and para church organisations. The insights we gained affirm that united action can address global challenges and multiply our impact.

We understand that our mission goes beyond the pages of scripture, reaching into the hearts and lives of individuals and communities around the World. Based on these affirmations the assembly came up with the Big Seven (7) conversations or statements (**Bible translation, Printed Bible distribution, Bible engagement, serving diaspora communities, Creation care, Digital transformation and Mission resilience**) as focus areas through the next season; these will ensure mission sustainability, further the cause of Bible translation, engage diverse audiences, support migrants, and foster collaborations that transcend boundaries.

I will now write my songs in the mother tongue...

By Clare Busingye

Over the years, The Bible Society of Uganda (BSU's) translation work has had one setback outright. Translation of the Bible into the mother tongue and the intended beneficiaries are unable to use it because they are simply illiterate in the local languages. In 2023, we launched our mother tongue literacy programme in the areas of Ma'di North and Sebei sub regions, to help people whose desire has always been to engage with the word of God but couldn't do it with ease because of the difficulty in reading or writing their mother tongue. These two languages are highly tonal, thanks to our translators who have taken strides in training teachers/facilitators to train locals. There has been great progress since the commencement of the programme and great testimonies coming through, as a result of BSU's intervention. Collins Chelimo, a young man of about 34 years of age is an upcoming artist who composes church songs and has always written them in the English language, yet his target audience are the Kupsapiiny speakers. After he heard of

the Kupsapiiny literacy program and its initiation plan over the radio, he could not wait for its implementation to come forth, so, he then enrolled for the Literacy class. He found it interesting that they had long missed out on such an opportunity of reading and writing in their mother tongue all the days they went to school. Collins is grateful that we now have an approved writing system and trained trainers to help others.

From the few lessons that Collins took on, he was encouraged and said, *"I will now compose and write my songs in the mother tongue and therefore, I request the facilitators to render me the much needed help when it comes to writing and editing those songs."*

"I am grateful to God that this program has been actualized now and my prayers are with all those learners, teachers and sponsors involved in this work, may God bless them to achieve what they desire to see in the end." Said Collins.

By Jophet Uthozingi

Project Coordinator, Kebhu Oral Bible Translation Project

For a very long time, the Kebhu community has been relying only on Kebhu New Testament (printed in 1995) which was translated by few Kebhu elders comprising mostly Reverends and some members of the community most of whom have since left us to rest in the Lord. We thank them for their tireless contribution to see that their people talk to God in their own language. The written Bible is a good tangible document for a Christian and reference and its use has utmost convenience but this only favours the literate. That means one has to know how to read and or write Kebhu-tu in order to understand the scripture very well. With literacy level still low among the Kebhu community, not much use has been put to the New Testament, one of the reasons many copies of the translated Bible about 900,000 are lying unsold in the store/shop of The Bible Society of Uganda and some in the store of the Anglican Diocese of Nebbi.

On 1st December 2022, God heard the prayer of the Kebhu community to have the Bible translated in Kebhu-tu. This time the translation is an Oral Bible Translation of which is to allow everyone who understands and speaks the language listen to and understand the scripture without any difficulty. Lack of ability to read probably due to low literacy level, blindness and other reasons should not be any impediment to our communication with God. On behalf of the Kebhu community, I would like to thank God for Faith Comes By Hearing (FCBH) and The Bible Society of Uganda for supporting

the community through sponsoring the Kebhu Oral Bible Translation Project.

We are also grateful to God for allowing the seven members of the Kebhu Oral Bible Translation Project Team to be part of the Fourth Cohort that travelled to Limuru-Kenya to enhance translation skills through a two-weeks training organized by the United Bible Societies, a training hosted by St. Paul's University-Nairobi, Kenya. We are privileged for that and we commit ourselves to always delivering our best to have a good translation of the Bible in Kebhu-tu.

With the translation work now in its second year, we have been able to complete the Book of Genesis and now we have embarked on the Book of Exodus. We thank God for his protection throughout the year 2023 and we continue to pray for good health and wisdom so that we can translate the Bible in the most Accurate, Clear and Natural way for easy understanding by the Kebhu community.

For the project to be successful, it requires collaboration with the churches and the community. We therefore urge the church leaders, Christians and well-wishers to join hands with The Bible Society of Uganda so that the ongoing translation work is beneficial to the Kebhu Community. This is my prayer that the translation will boost the growth of faith among our people of Kebhu. We thank God for the gift of this translation project.

The Runyankore-Rukiga Braille Bible with DC books Launched in Mbarara City

By Isaac Tusubira

Mr. Kule a teacher at St. Helens Primary School taking a reading from the new Runyankore-Rukiga braille Bible with DC books.

In a momentous event held in Mbarara City, The Bible Society of Uganda celebrated the launch of the Runyankore-Rukiga Braille Bible, complete with deuterocanonical books. It was attended by Church leaders, Bible Society members, and advocates for inclusive education from schools in the Ankore region of Western Uganda, the occasion marked a significant step towards accessibility and empowerment.

The beneficiaries of the People with Visual Disability (PVD) Project expressed their joy and anticipation upon receiving the Braille Bible. They view it not just as a spiritual tool but also as an academic resource that will enrich their understanding of both faith and education. Mr. Serumaga Peter, the General Secretary, encouraged them to actively engage with the Word of God, integrate it into church activities, and use it as a valuable educational tool.

Syson Muhereza, a beneficiary from St. Peter's Katukuru, shared his excitement, stating, **"...Now I will be able to understand Jesus in my language but also to speak from an informed background since I find English a little hard for me..."**

This launch builds upon the success of the Luganda Braille Bible with deuterocanonical books in 2019, showcasing The Bible Society's ongoing commitment to ensuring Scriptures are accessible to everyone, regardless of visual impairment. The inclusion of deuterocanonical books further enriches the reading experience for visually impaired individuals in Western Uganda, contributing to the creation of a more inclusive and equitable society. The Bible Society of Uganda continues to illuminate lives through its dedication to making the Word of God accessible to all.

BSU staff Team Building

It's been a long time coming, five long years to be precise, and in those five years, we saw the worst global health pandemic of our time, inflation, volatile market fluctuations; death, the new normal and so many more things that took place.

The Staff retreat is so important and it was great for the staff that participated. It is the only time in the organization that staff ever get to spend together in person as a team, regardless of which part of the country one comes from or what work they do in the Organization. We were not sure of the 2023 staff retreat, but there was hope for it happening and our prayer was that it comes to pass. We thank God that he made this happen.

One of the most interesting things to look out for in a retreat is a time for rest, relaxation and prayer. The team appreciated the organizers, Ruth, Ivan and team for the choice of venue, Kabalega Resort in Hoima which gave staff ample time to rest, relax and pray. The botanical garden-like environment of the Hotel made this experience even more awe-inspiring for the team. It was wonderful to stop, re-center and find peace in God's presence during the retreat. This time for the team was very reminiscent of Mark 6:30-32, when Jesus took his disciples away to a quiet place to rest a while from all their daily ministry and hard work.

The next wonderful thing that the retreat did for the staff was to help them reconnect and interact with each other. As we go about our daily work in the various parts of the country, you get to a point where all your efforts boil down to a single point, a Vision, a Mission. When you see all the different pieces that make the vision work, it is such a wonderful site to behold. Seeing the translators from the various different projects, the staff from the different Branches and projects and the head office team makes you appreciate this work even more, and this reminds us to keep on working hard, and that it is this great team that put together efforts in fulfilling this Vision for God's word over all the earth. For five long years we have been meeting on Zoom, Google Meet, WhatsApp and conference calls, but when we met at the retreat in person and were singing, "We are together again just praising the Lord in one accord" this was precious, this is what Bible work should be like.

One of the best parts of this retreat was the team building activity. We all had to join one of six groups named, The

Staff do acting during team building

Staff participating in the strategic plan by filling in questionnaires

Trauma Healing facilitator explaining the journey of grieving to the Staff members

Rich, The Poor, The Leaders, The Followers, The Christians and The Non-believers. As you can imagine, everyone would have loved to be in a group called, rich, leader or Christians, and everyone dreaded being in any group called Poor, Follower or Non-believer. In fact, many were hoping and praying that they would not end up in any of the latter three groups. As chance would have it, some members picked the group called Non-believers. At first, they were not very excited about it. But later we learned that the task of every group was to creatively come up with a skit that most accurately depicts the group they chose. After all the skits were presented and voting for best group was done, the Non-believers group emerged the Winners! Yes! they won! And top it all off, they were given the prizes...who would have thought? This was easily the best memory of staff retreat 2023 teaching us to work hard as a team.

Another very unique part of retreat 2023 that management did was giving staff the opportunity to participate in our five-year strategic plan. For five years now, we have been implementing the 2019-2023 strategic plan and we are on the verge of a new one. It was very important for us to participate in bringing the new strategic plan to life through the surveys and ideas we shared with management as they worked on completing the strategic plan 2024-2028. When it is complete, staff will take great pleasure and motivation in knowing that they were part of bringing it to existence, their voice and views were part of this very important document.

Having Bible Based Trauma Healing on the program, was great. This was really big and helpful for staff, especially this year since we had lost our team leader and General Secretary, Dr. Simon Peter Mukhama in May and it has been as though a dark cloud of gloom and grief has been hanging over us. For about two weeks after receiving that terrible news, several staff would sit on their desks and just stare in a blank mind. They found it hard to complete simple tasks and even at times found themselves welling up in tears in the middle of a sales pitch or in front of a clients. Even speaking to clients on phone was tough. When trauma is not handled well as an organization, or when the staff are not given opportunity to grieve in a way that brings healing, it adversely affects their mental health and performance. It was humbling to hear staff, pouring out their pain and then giving it to God as we went through the Bible Based Trauma Healing Session. Appreciation to the organizers for this part of the program, it was really needed as an Organization.

In conclusion, I am so grateful to God for this family of Bible Society and the opportunity to serve. I am even more humbled and thankful for the staff retreat 2023; what a wonderful experience staff had especially for those who have never been to Murchison Falls or Lake Albert. God dearly bless all who gave support to this retreat and those who worked tirelessly to put it all together.

The Bible Society of Uganda's journey of Hope at Salaama School for the Blind

By Isaac Tusubira

In a heartwarming display of compassion, The Bible Society of Uganda visited Salaama School for the Blind, an institution that was affected by tragedy when a fire claimed the lives of 12 visually impaired children in their sleep last year.

At the heart of this touching story is Ms. Dorcus Nambwangu, a resilient Primary Seven pupil and survivor of the devastating fire. She shared her experience, recounting, **"I was saved after being pulled out by one of the pupils who eventually lost her life trying to save others."**

The General Secretary, Mr. Serumaga Peter, and some of our cherished life members, witnessed a profound connection between the students and the transformative power of the Word of God. During his address, Mr. Serumaga Peter offered words of encouragement, urging the students to persevere through their challenges. His emphasis on diligent study, fervent prayer, and engagement with God's Word for personal growth and resilience.

As a tangible expression of support, The Bible Society of Uganda distributed audio Bibles and assorted gifts to aid the students in their educational journey at Salaama School. These resources aim not only to provide spiritual comfort but also practical assistance to enrich the students' learning experiences.

The outreach to Salaama School for the Blind reflects *The Bible Society of Uganda's* unwavering commitment to bringing hope and healing to communities facing adversity. Through the dissemination of God's Word and tangible acts of kindness, the organization serves as a signal of compassion, lighting the way towards resilience and restoration for those touched by tragedy.

One of the Life Members pledged 2 million shillings towards supplying the school with a water pump. He fulfilled his pledge towards the close of 2023.

Students of Salaama School happy to have received audio Bibles and a Braille Bible.
